

Tony Boyd

ENTERTAINMENT FOR ANY OCCASSION

With a big voice and a song list to match, Tony can serenade with quiet ballads, or rock it up and play your favourite party tunes.

Tony uses a drum machine, looper and harmony pedal where needed, and you will be amazed by the full sound produced, whilst still staying true to a real acoustic feel & vibe.

Based on the Sunshine Coast Queensland, Tony Boyd is a professionally trained singer with many years of corporate, wedding, and events experience fronting bands, and playing acoustic solo, acoustic duos & trios at venues including 4 years residency at Crown Casino Melbourne, and various shows for 3 years running at the Australian Open Tennis. Tony also spent many years as a function/wedding DJ and MC.

Specialising in classic ballads, pop, rock, & party covers, Tony performs solo shows, with a looper, harmonizer pedal and where required, a drum machine or foot stomp percussion to add to the sound.

Duo, trio or band line ups such as Radioactive, OZcoustic, DriveTime & Sunset Bliss are also available, and ensure perfect entertainment options for any events, venues, weddings or corporate functions.
